Company Profile

MasterClass™ Training & Consulting LLP

About Us

MasterClass™ is a Strategic Execution Consulting firm that has helped more than 1,000 companies and individuals from Mumbai, Chennai and Hyderabad, in developing their Strategy, Planning and Execution Process to help grow these companies to the Next Level of Success in a Simplified manner. When these companies go to the Next Level, it contributes to Nation Building.

In Sept 2012, MasterClass™ was invited by a German BioScience based Pharmaceutical company, BSV BIOSCIENCE GmbH, to help their core team develop its Strategic plan and Execution plan at Germany. They then shared a very inspirational testimonial. Within 7 months, the CEO was able to turn around its financial performance from losses in the past few years to profitability.

Our clients range from various sectors and industries; from manufacturing, services, retailing, consumer goods, IT hardware & software, eCommerce, pharmaceutical, chemicals, plastics, textile, garments, fashion & lifestyle, real estate, jewellery, sports & fitness, hospitality, stainless steel kitchenware, electric switches & accessories, financial services and education.

What We Offer

MasterClass™ offers Seminars, Workshops & Consulting services such as **StrategySimplified™**, **Marketing & Digital Marketing Simplified™**, **Retailing Simplified™**; as well as **Soft Skills Simplified™**.

Our Strategic Execution Consulting services and Training programs have two unique differentiations:

- All our training programs & consulting services are **Simplified**. The starting point is **a 4-page simplified Strategic Execution Plan**, unlike most consulting organizations that bombard you with 50 to 100 slides presentations or 50 to 100 page reports loaded with heavy management jargons, their internally coined jargons, complex charts, graphs, matrixes.
- All our training programs & consulting services are **delivered by professionals with practical Indian industry experience** rather than just academic or consulting knowledge.

All our standard training programs & consulting services are also available for customization specifically for any company, and trade & industry associations (to conduct these programs for their members) all over India. MasterClass™ delivers these at the locations of their choice. Please get in touch with our team at our Mumbai, Hyderabad or Chennai offices for customized training programs & consulting services.
